

Die \mathcal{P} versus \mathcal{NP} - Frage: Bedeutung und Folgerungen

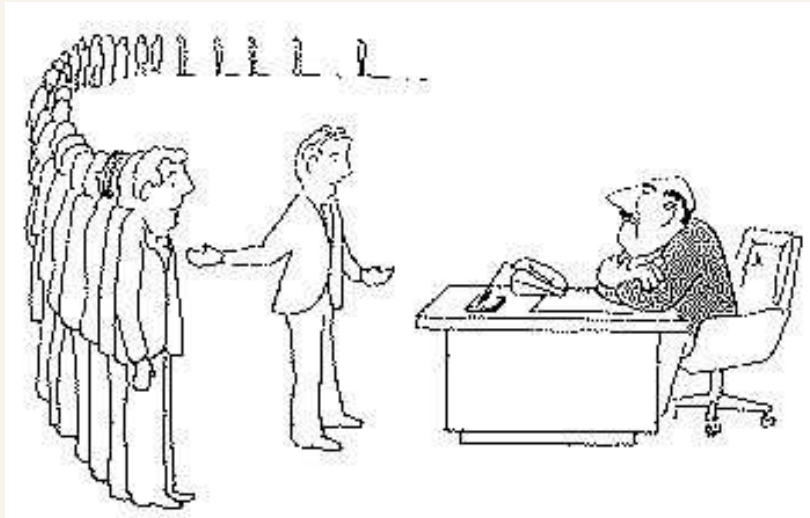

"I can't find an efficient algorithm, I guess I'm just too dumb." [GAREY/JOHNSON 1979]

"I can't find an efficient algorithm, because no such algorithm is possible."

Die \mathcal{P} versus \mathcal{NP} - Frage: Bedeutung und Folgerungen

"I can't find an efficient algorithm, but neither can all these famous people."
